"Madhoo and her team were amazing! We wanted a unique experience that would be remembered. She was willing and excited to do a family style dinner (something most caterers are not up for). The food was delicious, and she always took the time to understand what we wanted, and even spoke with my grandfather at the wedding. Everyone who attended is still talking about how good the food was. Thank you Madhoo and Gourmet Kitchen!" - S.C.

"I've had the pleasure of enjoying the food from Italic Catering 3 times in the last year. Each time, it was delicious! One of the events was an Indian Wedding where the Indian cuisine was off the charts good! So good, in fact, that I hired TGK to cater a small party I was hosting for my book club with an Indian theme. Every guest asked for their contact information. Can't wait for the next time I can hire TGKC...They really can cook in your language!!" - P.M.
